Caney Creek Yacht Club, Inc. (CCYC) facilities are the responsibility of the membership. Should you become a member of the CCYC, you are required to participate in the maintenance of the facilities by attending work parties or assisting in special projects as needed. We want sailors who will participate in CCYC functions. Share in maintaining dock facilities, and in time, be willing to serve in the governing of CCYC.

If elected to membership, I agree to abide by the constitution, by-laws, facilities policies and the rules and regulations of CCYC and to promote the sport of sailing to the best of my abilities. I understand my membership does not constitute ownership of a slip. I understand and accept financial responsibility for my failure to abide by the constitution, by-laws, facilities policies and the rules and regulations of CCYC which can result in my boat being removed at my expense from CCYC's premises at the request of CCYC's governing body.
